Dear Dr Lau,

I write to congratulate you and Yeung Chui Yan who represented Hong Kong at the annual "21st Century • Lenovo Cup" National High School and Primary School English Speaking Competition in Beijing on 21-24 March 2014. Her outstanding performance saw her named National Champion competing against almost 50 other contestants, winners in their own regional speaking contests in different parts of China.

This is such a wonderful result – our best ever – at National level and this is something for which Yeung Chui Yan, her teachers, the school and you have every reason for which to be proud.

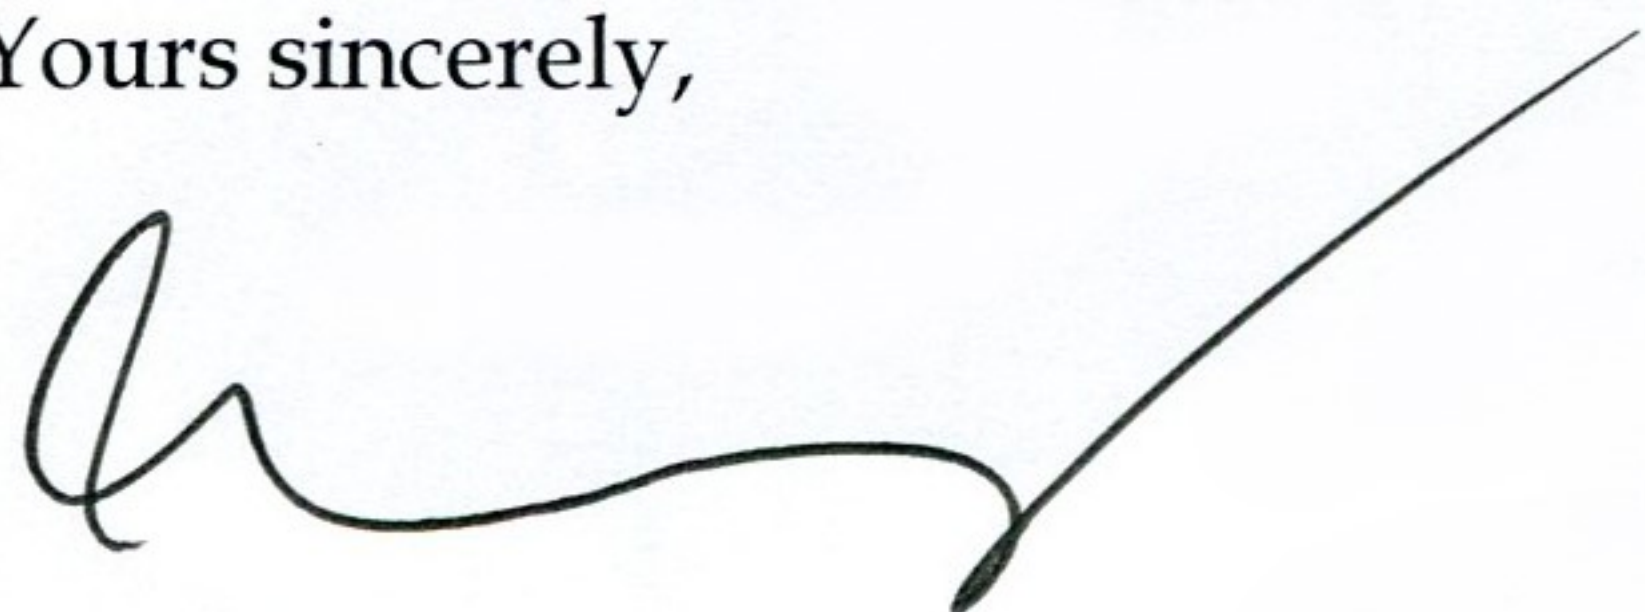

Like all the other Hong Kong Contestants, Chui Yan will be invited to become an English ambassador under *The Sir T. L. Yang English Language Ambassadors Outreach* of the Federation. The Ambassadors will visit different schools in Hong Kong and share their experiences of speaking English with their peers. Since 2009, the Ambassadors have reached over 4,000 secondary students.

Once again, thank you for all your encouragement in supporting the students from Po Leung Kuk Choi Kai Yau School to compete. Each of them demonstrated the very highest standards of English public speaking and they all conducted themselves very well. They are true role models to others. I very much hope that they also enjoyed the Contest and found it to be a worthwhile and rewarding experience.

Enclosed, please find some photographs taken at the National Competition. I look forward to your continued support in improving the English language speaking abilities of Hong Kong's youth.

Again, my warmest congratulations!

Yours sincerely,

Rosanna WONG Yick-ming
