

PLK CKY IGCSE Results 2016

Po Leung Kuk Choi Kai Yau School (PLK CKY) is the first through-train, non-profit quality private independent school in Hong Kong. Established in 2002, the school offers a 2-year bilingual (English and Chinese) education programme with the adoption of a school-based curriculum from year 1-8 and a preparatory programme for the International General Certificate of Secondary Education (IGCSE) in Year 9 and 10. PLK CKY students in Years 11 and 12 study the International Baccalaureate diploma programme (IBDP) in preparation for their university admissions.

PLK CKY promotes a love of knowledge and critical thinking through inquiry- and activity-based learning. In addition to pursuing academic excellence, we strive to develop students into Knowledgeable, righteous and responsible individuals who are global minded and independent life-long learners and are motivated to contribute to the local and international communities.
