

# Class of 2019 Higher Education Profile

## Summary

Universities across the world have recognized CKY students' excellent achievement in the IB Diploma by offering them admission, university credits, and advanced standing. In addition, our Class of 2019 graduates were awarded full and partial scholarships from leading universities to support their tertiary education. CKY graduates demonstrate a wide range of academic interests, pursuing post-secondary studies in an array of academic disciplines.

King's College London  
Lancaster University  
London College of Fashion  
Mountview Academy of Theatre Arts  
University College London (6)  
University of Bath  
University of Birmingham  
University of East Anglia  
University of Edinburgh  
University of Glasgow  
University of Manchester (3)  
University of Reading  
University of Surrey  
University of Arts London  
University of Warwick

### **Australia**

Monash University

## Majors and Courses

Students pursue their academic interests in a range of subjects which are summarized below:

Some of their specific majors are listed below:

### **Art and Design**

Textile Design  
Cultural Management  
Fine Art  
Fashion and Textiles  
Theatre

### **Business**

Accounting and Finance  
Business Economics  
Global Business  
Information Management for Business  
Insurance, Financial and Actuarial Analysis  
Program  
International Business and Global  
Management

### **Engineering**

Biomedical Engineering  
Chemical Engineering  
Financial Technology  
Mechanical Engineering

### **Healthcare**

Physiotherapy  
Occupational Therapy  
Medicine  
Chinese Medicine  
Nursing  
Optometry

### Dentistry

Speech and Hearing Therapy  
Pharmacy

### **Humanities**

English and Creative Writing  
Language, Culture and Communication

### **Sciences**

Nutrition  
Sports and Exercise Science  
Biomedical Science  
Computer Science  
Theoretical Physics  
Surveying  
Enrichment Mathematics  
Applied Science

### **Social Sciences**

Managerial Economics  
Philosophy, Politics, and Economics  
Data Science and Policy Studies  
Urban Planning, Design and Management  
Political Science: International Relations  
and Organisations  
Psychology
