### Year 1-5 Arrangements for Continued School Suspension

Dear Parents,

As the suspension has been extended until **16th March 2020**, we are now working on providing regular teaching and story videos, along with Google Meet lessons (Y4-5) starting next Monday, 17th February 2020 to support students' learning. In addition, class teachers will contact each child weekly. This is a chance for your child to ask questions regarding or share any exciting news they may have. 教育局宣佈停課時間延長至2020年3月16日，學校將會提供定期的教學和故事視頻，請家長留意以下的安排：

#### **Weekly Timetable**

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
English Story-telling	Chinese Lesson (Y1-3) OR Chinese Google Meets Lesson (Y4-5) @ 11-11:50am	English Lesson (Y1-3) OR English Google Meets Lesson (Y4-5) @ 11am - 11:50am	Chinese Story-telling	Maths Lesson AND Science Lesson

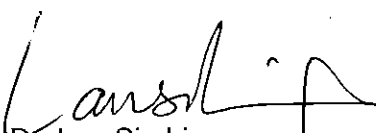

We will continue to send out Suspension Homework Guidelines for each week via the school app on Mondays (Chinese) and Tuesdays (English). Please check the app on these days as there will be important links and downloadable worksheets related to the lessons.

Year 1-3 students will be assigned CKY email addresses soon. Parents should help their child sign-in and reset the password. These emails are very important as they will be used to access all of the lesson videos and material on the shared CKY Google Drive for all year levels.

Students will have material provided for English, Chinese, Maths, Science and Moral Education. Next week we have invited a number of the teachers from each year level to create the videos. Beginning the following week, each class teacher will create the videos for their own class.

The school Campus will remain open for students who need supervision. We hope that everyone is staying safe and healthy and we look forward to seeing you very soon. 於停課期間，校舍將繼續開放予有需要的學生，感謝大家對預防及控制傳染病的支持。請保持身體健康。

Warm regards,
