**Updated Arrangements for Deferral of Class Resumption (Secondary)**

Dear Parents,

The Education Bureau (EDB) has announced that all schools will resume classes on **20th April 2020** at the earliest, pending further assessment. Teachers are working hard during the school suspension to provide various methods of support to ensure learning is taking place at home. We thank all parents for their support and encourage our students to maintain active participation as we are able to deliver the curriculum content through online lessons/video teaching.

因應疫情持續，教育局宣佈延長全港學校停課至 4 月 20 日。感謝老師、家長和學生在這段非常時期所付出的努力、支持和配合，讓教與學能達到良好的學習成效。

Moreover, through using various methods of e-learning, we hope that our students will be given the opportunity to strength their learning skills in areas such as using technology, problem-solving and time management. Although there is no online learning during Easter holiday, we encourage students to continue their communication with teachers for further support.

透過網上學習，學校希望學生能善用資訊科技，提升時間管理及解決困難的能力。學校的復活節假期將維持不變，雖然假期中老師將不會提供網上教學，學生仍可以不同的媒體與老師保持聯繫。

In light of the extended school suspension, we have made the following arrangements to ensure all students receive the maximum number of lesson hours after school resumes:

復課後，學校活動及行政安排將作以下改動，讓學生有更多課堂時間：

Events that have been cancelled:

- 14/3 Open Day
- Second Term Saturday ECA
- Year 3 Overnight Camp
- Year 4 to Year 7 Study Tours
- Staff Professional Development Days
- Year 10 and Year 12 Study Leaves
- TSA Oral and Written Examinations

Events that have been postponed:

- Assessment week will be postponed to 25th May - 29th May 2020 (*Year 1 - Year 8*) and 25th May - 4th June 2020 (*Year 9 and Year 11*).
- Speech Day will be rescheduled.

Saturday School:

- Saturday school half days will take place once school resumes until assessment week begins. These additional Saturday school half days will allow us to keep the Summer holidays as planned. The Saturday school hours for Primary will be 8:30am to 12:00pm and Secondary school hours will be 8:00am - 12:30pm.

For our Year 10 and Year 12 parents, please note that the Year 10 IGCSE and Year 12 IBDP examinations will be held as scheduled. Details of the arrangements for Year 10 practical examinations and Year 12 pending IAs will be announced at a later date.

關於 Y10/Y12 的考試特別安排，將會另行通知。

There will be a new timetable for Year 6 - Year 8 students starting on 9th March, which will extend the amount of online lesson time.

由三月九日開始，學校將更新 Y6-Y8 的上課時間表，加入更多不同的科目，讓網上課堂更全面。

We will send out a survey in mid-March to all parents regarding the effectiveness of student learning and development at home and will continue to adapt in order to meet the diverse needs of our students.

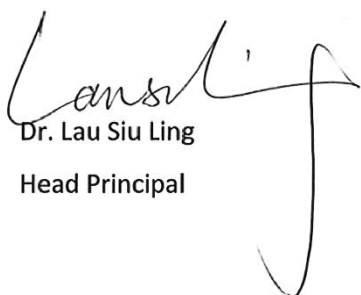

學校將於三月中發問卷予各位家長，讓學校更了解網上學習的進度及學生的學習態度，以提升學習的果效。

In addition, we understand some families may encounter difficulties due to the increased needs for computer hardware. The school is happy to rent these families a Chromebook during this period without charge. Please fill in the online application form (<http://bit.ly/rentchromebook>) using your child's CKY email address and our IT department will contact you to arrange the collection of a Chromebook from school.

如在電腦資源配套上有任何困難，學生可於停課期間，向學校申請借用 Chromebook。填妥及遞交網上申請表後，學校 IT dept 同事會聯絡家長到校領取。

We hope everyone is staying healthy and we once again want to thank you for your cooperation, support and patience during this challenging time.

Warm regards,

Dr. Lau Siu Ling  
Head Principal
